Infrastructure and Automation	35%
Network Fundamentals	87%

PLEASE READ: IMPORTANT INFORMATION

- The score information displayed on this report is preliminary and does not constitute as an official score report. Cisco seeks to assure the validity of exam scores by analyzing exam responses. Your score may be classified as indeterminate if it is at or above the passing level and Cisco cannot certify that it represents a valid measure of your ability. After review and analysis, your score will either be:

- a) Classified as "valid" and your official exam result will be reported at www.pearsonvue.com/authenticate. You can view exam results by using the registration and validation numbers displayed in the left column within 72 hours of your exam session. Cisco reserves the right to invalidate your exam score and Certification result, even after your official exam score has been posted.

- b) Classified as indeterminate and you will be advised of the options for retaking the examination.

- If this exam completes a certification requirement, please allow 10 days for Cisco to receive your exam results. Then login to the Certification Tracking System at www.cisco.com/go/certifications/login to view your certification status. Ensure that your name and mailing address are correct. You will receive an email with instructions explaining how to obtain your certificate if applicable.

- Cisco policy requires that you wait a minimum of 180 days before retaking a passed exam (with an identical exam number).

- For any Cisco Customer Support related issues or feedback from your testing experience, please visit Cisco's Customer Support Portal at www.cisco.com/go/certsupport and open a case.

- This examination was delivered at Pearson VUE. To register for another Cisco exam go to: www.pearsonvue.com/cisco.

- As a Cisco certification candidate, you deserve a fair and secure testing experience. Please report any suspicious behavior you observe to security-tipline@cisco.com. Examples of such behavior include receiving help or copying from another test taker, taking a test for someone else, accessing stolen test questions, or using notes or unauthorized aids. Thank you for your assistance in helping to detect and prevent these unfair testing practices.

- To receive or stop receiving communications, log in to the Certifications Tracking System and select your preference in the Opt In/Opt Out section at www.cisco.com/go/certifications.
